- Three students of college participated in an HIV/AIDS training programme organised by District Hospital Solan 'District Aids Control Society'.

The Red Ribbon Club and the Red Cross Society of the Government Degree College, Darlaghat have been formed with a commitment to raise awareness on general health issues including physical and mental well-being, nutrition, and hygiene with a special emphasis on HIV/AIDS and importance of blood donation. The significance of healthy bodies and minds cannot be over-emphasized in imparting holistic education to students and in creating productive citizens.

Keeping in line with this view, the Red Ribbon Club of the College, organized following activities in 2023-24 in order to raise awareness about HIV/AIDS and about general health and hygiene.
