

## Criteria 5.5 Collaboration:

(All Collaborations and MoUs are in office file of College)

The college actively collaborates with peer education institutions, research institutions, government bodies, and industries to foster an enriching and holistic educational environment. In the past year, collaborations with ITI Ambuja Foundation have pooled respective strengths and resources to provide students access to skill development courses and exposure to industry requirements. Partnering with the Hemisphere Foundation (Singapore) has led to the joint organization of the Global Youth Summit in Darlaghat in future. The college has also worked with HPTDC for organizing seminars and other events. Furthermore, collaboration with Eco-Group Society has facilitated skill development in the hospitality sector for students.

These partnerships not only enhance the learning experience but also bridge the gap between academia and industry, preparing students for future challenges.

Dear Dr. Asaf Sharabi,

Thank you for reaching out and considering our institution for your research project. We are delighted to hear about your work on "Gods and Goddesses in the Western Himalaya - A Comparative Ethnographic Research."

We are pleased to accept your request for collaboration and will be happy to provide a research assistant from our college to support your fieldwork.

We have identified a suitable candidate and will share further details with you shortly. We have also discussed the nature of the project and will conduct field work as soon as possible. Kindly share the timeframe of the project.

Looking forward to a fruitful collaboration.

Best regards,

Dr. Ruchi Ramesh
