

Criteria 5.2 Special Initiatives Taken for

(On site verification)

i. Energy conservation/ use of Solar energy

- Replaced traditional lighting with LED bulbs/Tubes.
- Special initiatives like switch off drive are taken by the institution

ii. Solid waste segregation /Management

- Implemented segregation of waste at source into categories of paper, plastic, glass & E-waste.
- Regular cleaning and maintenance of waste disposal areas.

iii. Rain water harvesting and its use for gardening and cleanliness

- Created awareness among students and staff on water conservation.

iv. Plastic free campus

- Banned single-use plastics.
- Encouraged use of refillable water bottles.
- Conducted plastic-free awareness campaigns.

vi. Adoption of village /educational institutions

- Adopted a nearby village Kotla for holistic development.
- Organized an Awareness program for the village women.
- The community outreach programmes of various clubs and societies are extended to this village from time to time.

Additional Initiatives:

GDC Darlaghat's Road Safety Club launched two innovative initiatives to promote public awareness. These measures include a Road Safety Awareness Campaign, featuring Visual Road Safety Signage painted on the college entrance gate. Additionally, road safety symbols were incorporated onto student ID cards, serving as a constant reminder of safe driving practices. Introduced by Ms. Margaret Sebastian, these initiatives aim to educate students, staff, and the local community about road safety rules and regulations, ultimately reducing accidents in the region.

- Developed a Green Club to promote environmental awareness.
- Collaborated with ITI Darlaghat for expertise and resource sharing.

दाइलाघाट में दिया ऊर्जा संरक्षण का संदेश

1/4

दाइलाघाट कॉलेज में ऊर्जा संरक्षण कार्यशाला में मौजूद विद्यार्थी। संवाद

दाइलाघाट(सोलन)। राजकीय महाविद्यालय दाइलाघाट में इको क्लब व एनर्जी क्लब के संयुक्त तत्वावधान में विद्यार्थियों ने ऊर्जा संरक्षण का संदेश देते हुए स्विच ऑफ ड्राइव का आयोजन किया। विद्यार्थियों ने इस ड्राइव में सभी कक्षाओं, प्राचार्य ऑफिस, स्टाफ रूम, ऑफिस व साइबर कैफे में जाकर जरूरत पड़ने पर ही ऊर्जा उपकरणों को प्रयोग में लाने का संदेश दिया। इको क्लब व एनर्जी क्लब की प्रभारी सहायक आचार्य भूवि शर्मा ने बताया कि इस तरह की ड्राइव को आयोजित कराने का प्रमुख उद्देश्य विद्यार्थियों को ऊर्जा संरक्षण के विविध आयामों से परिचित करवाना है। संवाद
