GOVERNMENT DEGREE COLLEGE DARLAGHAT
DISTRICT SOLAN, HIMACHAL PRADESH
ACTION TAKEN REPORT ON PARENTS' FEEDBACK
Academic Session: 2025–26

Based on the analysis of feedback received from **55 parents**, the following measures are proposed/initiated by the college for continuous improvement of academic and institutional functioning.

S. N	Feedback Area / Issue Identified	Action Taken / Proposed Action	Status
1	Admission process received 100% positive response.	Continue transparent, fair and student-friendly admission procedures and provide necessary guidance to applicants and parents.	Continued
2	Teacher-student interaction received highly positive feedback.	Continue mentoring, classroom interaction and academic support for students.	Ongoing
3	Student behavioural improvement received comparatively lower positive response (80%).	Strengthen mentoring, counselling, discipline-related awareness and personality development activities.	Ongoing
4	Learning environment received 89.09% positive response.	Continue efforts to maintain a supportive, disciplined and student-friendly academic environment.	Ongoing
5	Accessibility of college information received 89.09% positive response.	Improve timely dissemination of notices, academic information and important announcements through official communication channels.	Ongoing
6	Website received 90.91% positive response.	Ensure regular updating of the college website with admission, academic, examination, notices and activity-related information.	Ongoing
7	Curriculum received 94.55% positive response.	Continue student-centred teaching, practical exposure, academic activities and curriculum-based enrichment.	Ongoing
8	Examination results received the lowest positive response (69.09%).	Strengthen communication regarding examination schedules, result-related information and updates; coordinate with concerned authorities wherever required.	To be strengthened
9	Staff cooperation received 92.73% positive response.	Continue responsive and student/parent-friendly institutional services.	Ongoing
10	Parents' perception of progressive institutional changes was 89.09% positive.	Continue infrastructure, academic and student-support improvements within available resources and administrative provisions.	Ongoing
11	Parents' feedback mechanism.	Continue periodic collection and analysis of parents' feedback as part of IQAC quality assurance activities.	Continued
12	Overall quality improvement.	Review the above feedback during appropriate institutional/IQAC meetings and incorporate feasible measures into future planning.	Ongoing

Follow-up

The feedback findings will be reviewed periodically by the concerned committees/college administration. Particular attention will be given to examination/result communication, student behavioural development and timely dissemination of institutional information. Progress on feasible improvement measures will be considered in subsequent IQAC and institutional planning.

Conclusion

The Action Taken Report reflects the college's commitment to responding to parents' feedback and strengthening academic, administrative and student-support practices. The feedback will continue to serve as an important input for continuous quality improvement at Government Degree College Darlaghat.
