Remarks / Feedback

On 12th April 2025, a highly engaging and thought-provoking session on Gender Sensitisation was delivered by the esteemed Mrs. Margaret Sebastian in Lecture Hall-1. The session witnessed full participation from students and faculty members, all eager to delve into the nuances of gender equality and inclusivity. Mrs. Sebastian's talk was a compelling mix of informative insights and lively discussions. She began by highlighting how gender stereotypes unconsciously shape perceptions, sharing relatable anecdotes that sparked both laughter and reflection. "How many times have we heard 'boys don't cry' or 'girls should be polite'? But have we ever asked—why?" she questioned, encouraging the audience to challenge ingrained biases. Throughout the session, she emphasized the importance of empathy and open-mindedness in fostering a more equitable society. Her engaging narrative and interactive exercises kept the audience absorbed, making the session not just educational, but truly transformative. The session was not only informative but also fun and inspiring, leaving everyone with valuable perspectives and a renewed commitment to equality.
